

Aquatic Center Grant Application Informational Handout
Justification of Need Background Notes

Your justification of need worksheets for equipment or scholarships should include all applicable information listed below that you feel will strengthen your request, such as:

- Compatibility with DBW and Aquatic Grants Program missions (cite specific examples of access, safety, or environmental stewardship)
- Relationship to boating accident statistics (either specific to the activity in question, or related to your geographic area)
- Specific examples of demand for or benefit to the community from courses taught with the equipment
- Any other exceptional or unique aspects of courses taught with the equipment
